

## CAC Meeting with DCSD and Nix Fowler

(Dr. Ann Culbreath, Jenny Shulman, Callie Parker, and Alan Mothner)

April 16, 2019

### Items Discussed:

#### **Brick Campaign –**

- Delivery will be June/July. Dont'a Collins will make sure they are delivered correctly and set aside until Nix Fowler needs to install them.
- **Follow Up:** *Dr. Culbreath will forward the original design, we received from Richard Boyd, back to Richard Boyd and Dont'a Collins showing where bricks were to be installed regardless of our brick campaign, showing that these were already in the plans and Austin should not be responsible for extra blank bricks not engraved.*

#### **Playground –**

- Dr. Culbreath: We were made aware that if a capital project was under \$100k, we could appeal to DCSD to use a different playground than what the chosen one by DCSD.
- **Follow Up:** *Dont'a Collins will speak with Richard Boyd about this.*

#### **Retaining Wall –**

- Nix-Fowler will build the wall per contract, no bricks, no stone, no vegetation.
- **Follow Up:** *Artist in Residence price to do mural?*

#### **Timeline –**

- We are on schedule with current (second) timeline.
- Completion/Move-In Date is set for November 2019.

#### **Additional –**

- Meeting was adjourned abruptly due to site being shut down by the City of Dunwoody.
