Portal Activation Key Lookup

A screenshot of a web form for looking up a portal activation key. The form has a light blue background and contains the following fields: "Student Number:" with a text input field; "Student SSN:" with a text input field and the instruction "999999999 (no dashes)"; "Student Birthdate:" with three sub-fields: "Month:" with a dropdown menu showing "1", "Day:" with a dropdown menu showing "1", and "Year:" with a text input field and the instruction "(4 Digit Year)". At the bottom left of the form are two buttons: "Submit" and "Reset".

- Enter Student Number (no “S” ...just 7 digits)
- Enter Student Social Security Number (9 digits)
- Enter Student Birthdate.
- Submit.

If lookup is successful, you will have option to “Activate Your Parent Portal Account Now.” You must enter a user name and password that you will use to access Campus Portal in the future. *Password must be 8-10 characters long. Include letters, punctuation, including space, symbols and numbers.*

If lookup not successful, please try one more time to ensure correct digit entry.

If still unsuccessful after at least 2 attempts, email [Barbara Page@dekalbschoolsga.org](mailto:Barbara_Page@dekalbschoolsga.org) and request an activation key. *Please specify which parent is seeking access, as activation keys are specific to each parent.*
