

LET'S GET READY FOR MORE RIGOR!!!

For the 2014-15 school year, Georgia will begin rolling out new assessments aligned to the CCGPS. The new assessment will be used to gauge how well students are mastering the standards and, ultimately, how ready students are to succeed in college and careers. The Georgia Milestones replaces the CRCT, EOCT and Writing Assessment for grades 3-8 and High School.

NOW IS THE TIME TO TAKE ACTION:

Learn about the new assessments and gain understanding of how to support your children to *maximize their assessment scores.*
